Phone: (610) 337-5000

Between April 20 and May 14, 2012, Region I office telephone service will be limited as the phone system and staff relocate to our new office. The system is expected to be out of service until May 1. The phone numbers of division management will be in operation during this time. During the transition, the main Region I number, **610-337-5000**, will be operational, or if you wish to contact personnel within a specific organization:

Regional Administrator	610-337-5105/5095
Division of Reactor Projects	610-337-5226/5133/5384
Division of Reactor Safety	610-337-5277/5153/5191
Division of Nuclear Materials	610-337-5274/5248
Division of Resource Management	610-337-5201/5071
Office of Investigations	610-337-5243/5305

The NRC Region I State Liaison Officers, State Agreement Officers and Public Affairs Officers may be reached via their normal business telephone numbers.

Office phone numbers will **not** change and will be available after May 14, 2012. The Region I toll free Hotline number (1-800-695-7403, ext 5222) will remain unchanged through the office transition.

Thank you for your patience during our relocation process.
