Dear Mr. Kearney:

Thank you for your letter of December 8, 2011 (ML113420338) in response to our November 8, 2011, letter (ML113120409) which cited PPL for being in violation of 10 CFR 55.25, "Incapacitation Because of Disability or Illness," for failing to notify the NRC of a known permanent change in medical status of a licensed operator, and of 10 CFR 55.3, "License Requirements," for failing to ensure that an individual license holder, in the capacity of a reactor operator, met the medical prerequisites prior to performing licensed operator duties.
