

TMIA's Planning Council

Chairman - Eric Joseph Epstein

Eric is a Ph. D. candidate at Penn State. He is the co-author of Dictionary of the Holocaust: Biography, Geography, and Terminology (Greenwood & Westport Press, 1997) and is the Coordinator of the EFMR Monitoring Group at Three Mile Island. He has served as a visiting professor of humanities at Penn State Harrisburg and at West Chester University where he taught Holocaust Studies. He is a candidate for the democratic nomination for the Senate of Pennsylvania from the 15th Senatorial District.

Vice Chairman - Bill Cologie

Bill is a graduate of Penn State - Harrisburg and serves as executive director of the Green Building Association of Central Pennsylvania. He owns Transit News, the newsstand at Harrisburg's train station, and served for many years as editor of "The Alert," TMIA's newsletter. Bill is also vice president of the Board of Trustees for the Dauphin County Library System, vice chairman of EFMR, and is co-chair of the Epstein for Senate campaign.,

Secretary - Kay Pickering

Kay, who has made a career of volunteerism, is one of the founders and organizers of TMIA. She has been TMIA's office staff person for its entire history. She also does volunteer work for the Harrisburg Fair Housing Council, the Harrisburg Center for Peace and Justice, and is a Board Member of the Neighborhood Dispute Resolution Center. She has a BS in nursing from Earlham College in Richmond, Indiana.

Treasurer - Betsey Robinson

Betsey, officially Mariam Elizabeth Robinson, is a third grade teacher in a public school and a concerned mother. She has also been with TMIA from its very beginning serving in numerous volunteer capacities over the last two decades.

Mary Osborn Ouassiai

Mary is a paralegal with an Associate's Degree. She has been a TMIA member since May, 1979, alerted to the dangers by her ex-husband and father-in-law, both of whom were construction workers at TMI. She has made dozens of presentations about the health effects of the TMI accident in Europe, Asia, and throughout America. Her exhibit of mutated flora and fauna from the TMI area has been seen by thousands.

Maureen Mulligan

Maureen is a grassroots energy consultant who specializes in renewable energy issues. Before starting her own business she managed the education program of the Pennsylvania Public Utility Commission whose electric restructuring campaign was rated the best in the country by USA Today. She has a Master's Degree in Government Administration from the University of Pennsylvania and lives with her husband on an organic farm in a Perry County intentional community.

Angela McClurkin

The Planning Council's "new blood," Angie recently received her BA in Communications from Bloomsburg University with emphasis on Leadership and Social Influence. She began working with TMIA in the fall of 2003.
